Non-availability of cables in Bihar

†1639.SHRI MANGANI LAL MANDAL: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether it is a fact that the telephone facility is not being provided to telephone subscribers of Bihar due to non-availability of cables for the last two years;

(b) if so, the number of applicants registered in the waiting list as on date, district-wise and by when, telephone facility would be provided to them; and

(c) whether Government propose to ensure immediate availability of landiine service of B.S.N.L. at village level in all the districts of Bihar including Madhubani, if so, by when and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) Due to limited acceptance of quantity of PIJF cable by bidders of tender in 2002-03 and delay in finalisation of cable tender for 2003-04 due to litigation, there was limited availability of cable during these years in many Circles. After finalisation of cable tender 2003-04 sufficient cable was allotted to Bihar Circle in March 2004, which is being supplied progressively and likely to be completed by October 2004. However, with the available underground cable and wireless networks 1,60,048 and 1,41,613 connections were provided in Bihar Circle during 2002-03 and 2003-04 respectively.

(b) District-wise number of registered applicants as on 31.7.2004 is given in the enclosed Statement; (See below)

Telephone facility to most of these applicants is likely to be provided by March, 2005.

(c) Recently, B.S.N.L. has decided to provide landiine connections to applicants in rural area up to a distance of 5 KM from the telephone exchange. In Bihar Telecom circle, .VPTs (Village Public Telephones) have been provided in all the 38,475 inhabited villages. It includes 1029 VPTs in Madhubani district. Further, the landiine services shall be extended to

† Original notice of the question was received in Hindi.

the villages where sufficient waiting list exists and the village falls within 5 Kms radius of existing telephone exchanges. Other villages shall be covered on WLL. The waiting list of Madhubani district is 4679 (as on 31.07.2004), which is likely to be cleared by 31.3.2005.

Statement
